We ask that you treat our gear like it was your own. Please return rented equipment clean and organized in the way it went out. We'll probably be the ones using it next time. Thank you.

Kencom, Inc. requires a Certificate of Insurance in most cases of rentals. Please fax a copy of your certificate to 704.660.0309 showing the loss payee as Kencom, Inc.

You will also be required to sign out equipment prior to pick-up accepting full responsibility of all equipment.

In the event cleaning or repairs are necessary, Kencom, Inc. reserves the right to charge for cleaning or repairs in the event of negligence upon return.

Equipment is available most afternoons prior to actual shoot day at no extra charge. Equipment must be returned by noon of the day following your shoot or you can be charged an additional day's rent.
